It is a great victory for female workers who stand all the time more or less 12-14 hours per day while they are working in shops and commercial malls

Female workers who are working in shops and commercial malls are not allowed to sit or even lean on the wall. They were allowed only 5 minutes of break two times a day to take rest.

There was a strong voice against this inhuman practice among women workers for a long time. Considering this, the Government of Kerala has decided to redress by amending the Shops and Commercial Establishment Act in July 2018.
