Project

D. Write a Diary entry each day for a month and compile them into a book. You may also name your diary as Anne Frank did.

Diary writing is one of the most personal and informal categories of writing. A diary writing can be based on an experience, a scene, a description or narration of certain event or any other thing or activity that the writer considers worth writing in his/her personal diary.

The style and tone is generally informal and personal. However, it depends on the subject. You can freely express your viewpoints and feelings. As the diary is writer's personal document, the diary entry doesn't need any signature.

The more frequently you write entries in your diary, the more you will enjoy doing it and the more you will learn from them.
